Thornton Fractional North 1960

"Enter to learn, go forth to serve"

This is the motto of Thornton Fractional North High School, and it expresses T.F.'s basic purposes. The school's pupils "enter to learn," which they do primarily in classes but also in extracurricular activities and through association with faculty members and other students. But they do not content themselves merely with learning: They "go forth to serve," to apply their knowledge for the benefit of others.

Because this expression so typifies T.F., it is the theme of this year's Chronoscope. In the following pages the numerous facts of this motto will pass in glittering array. The teachers, the classes, the plays and clubs, and dances, and many other events will all be there to serve as a cherished reminder of the school year 1959-1960.

The members of the Chronoscope Staff have tried hard to compile an interesting book. They sincerely thank all who have so generously assisted with its production and truly hope that its readers will enjoy it.

Go Forth to Serve

Supt. Kiester Plans IF Progress

Superintendent Jackson Kiester, in serving his seventh year of administration, has devoted much of his time and energy toward planning and carrying out a program to fit the needs of T.F. North's students. For such devotion the student body is grateful and indebted to Mr. Kiester and his unfailing service to their interests.

Serving Those Entering to Learn

The student body is also gratefully indebted to Principal Aitken Young for solving many of their problems and guiding them whenever they needed assistance. His ever-faithful helpfulness has made him a favorite at T. I. North.

The school board, composed of eight men who direct the functions of the school, gave unstintingly of their time to help direct the policies of the school this year. The student body deeply appreciates their efforts. Newly elected officers are: Mr. John Eggert, president; Mr. William George, secretary; Mr. Melvin Hildebrandt, board member.

Meteors Have .500 Year

The story of the Meteors this year centered around the close ones. Remembered will be the rainy afternoon at Fenwick Park and the stacked punt that gave the victory to E.P. in the last three minutes of play. Also remembered will be the Meteors' first victory in the first all-time North-South game when Mike Koon threw to Les Heiman and the clock dispute that arose in that 60-0-0-1. You will Coach Les Heiman's fine coaching and the fact that you are any of the team. Hopes are still in your hands for a next year squad.

Cagers Suffer Bad Year

Photos by D. Whitlock

There is nothing you can pin-point as the chief factor in the Meteors poor 4-14 record, altho lack of spirit stands out. Of Most Valuable Player Andy Samide, Coach Wally Horvatich says, "I wish we had had about four more like him this year.

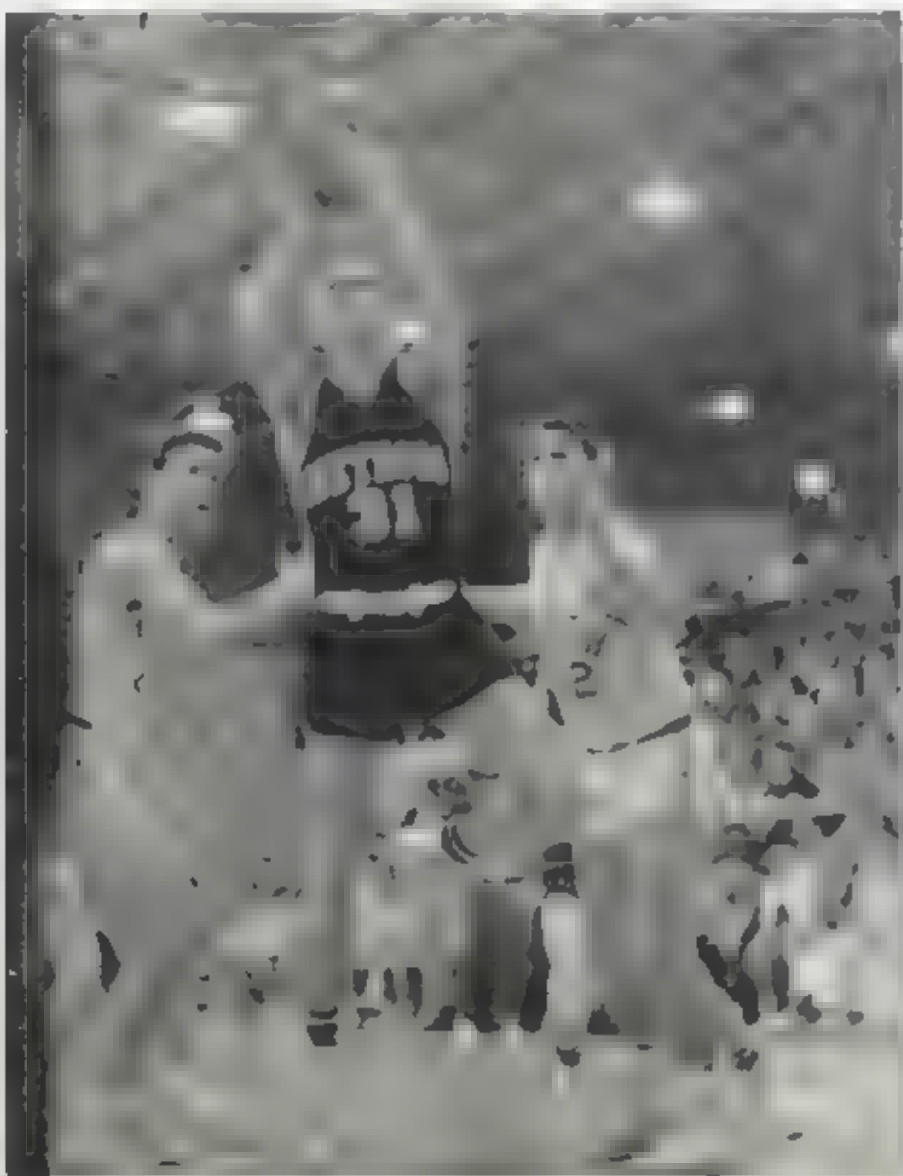

FINISHED UP for the Mobers and Mobers before opening up off to crowd each other to play for the team and to listen to others.

LOOSE PLAY was Mobers against headball. The Mobers watches for the Mobers away from the Mobers into John Mobers for a Mobers North team repeatedly gave all away.

Frosh Cagers Win Two

After winning their first two games, it seemed the freshman basketball team was on their way. But misfortune struck and they lost their remaining five games. Coaching the Monrotes was Mr. Raymond Hentz.

Coach Ed Fedosky's varsity swimmers fell below the .500 mark in their last meet, but still compiled an impressive 7-8 record. Success again next year will depend on the fine crop of juniors and underclassmen moving in to take positions of their own.

JUNIOR CLASS AND OFFICERS

After a long two years wait, the juniors finally reign as upperclassmen and anxiously look forward to their senior year. They soon learn how to accept responsibilities and prepare to become the leaders of tomorrow.

Leading the way for their class, were four senior class officers, who arranged for the election of the new officers and organized a carnival concession and other activities to help raise money for the Junior-Senior Prom. Another important responsibility of the class officers is to set a date for the Junior-Senior "sneak," a holiday for only these privileged upperclassmen.

Promotes Service Boys' Club

All Boys' Club-enrolling 11th Street-area members of Boys' Club are of the most prominent character and the next purpose of the club is to encourage boys of this character to try to improve their school and to realize their moral, scholastic and civic responsibilities.

Boys' Club Board Members and officers work together to plan and carry out the club's activities. The most important thing the annual Boys' Club Dinner has in early spring of the year. Considerable as well as active participation in the club are toward to open opportunities for the membership of the club.

The sponsor of Boys' Club is Harvey Frank, 11th Street known as "Harv".

Girls' Club Is Always On Hand

GIRLS' CLUB AND BOARD MEMBERS

Girls' Club, one of the most important clubs in school, strives to promote a spirit of democracy, friendship, and service among the girls at school. Upon entering T.F. North, a girl becomes a member of Girls' Club, sponsored by Miss Irma Stefanini.

The board members help plan the many activities of the club. These activities include Dads' night, Bow Day, the Girls' club Dance, Elections, and the Mother-Daughter party held in the spring.

Important Factors . . . NJS and Stage Crew

National Thespian Society, an educational honor and service organization of teachers and students, was established for the advancement of dramatic arts in the secondary schools. Membership in this society is attained by an active participation in the activities of the Dramatics Club.

The Stage Crew is a service organization, dedicated to the sole purpose of assisting all school and community organizations in planning and executing their programs.

NFL and Debate Battle Competition

NFL and Debate

The Debate team of TF North, coached by Mrs Carol Zink, assembles early in the fall to prepare issues of debate to be presented in competition with various high schools.

The National Forensic League is composed of members of the speech and debate teams. It was designed to encourage competition in debate, oratory, extemporaneous speaking, and other forms of oral expression. Membership is obtained through obtaining several victories in speech competition.

Fall Play

The Dramatics Club's fall presentation of "Angel Street," a Victorian thriller by Patrick Hamilton was adapted from the book "Gaslight."

PFers will long remember the excitement-filled play which dealt with a man who was torturing his wife into insanity. The torturing husband, Mr. Manningham, was played by Kenny Bloos, and Mrs. Manningham, who was being driven insane, was played by Sylvia Chiapetta.

Clubs Prove . . . Learning Can Be Fun

The Art Club, sponsored by Mrs. Lois Lembecke, meets after school to discuss various projects such as posters for the halls and a social during the mid-winter months.

The Science Club, which is directed by Mr. Carl Tchalo, was organized only a few years ago with the purpose of giving its active members an opportunity to work in the laboratory on projects of their own choosing. This year the club has undertaken the project of a weather station.

Learning While Serving

"Learning through Service" may very well be the motto of the stooges, the helpful assistants of Miss Violet Janku, T.F.'s financial advisor. The stooges assist Miss Janku by working at all school athletic and social events, selling tickets, and helping Miss Janku in the financial matters of T.F.

The top ten magazine salesmen of T.F., after an inspiring magazine assembly, went out and sold a large number of subscriptions during the annual magazine drive. The subscriptions help to pay for the publication of the CHRONOSCOPE.

The Freshmen Chorus spends many hours practicing for the winter and spring concerts and are always ready to serve at school affairs. The Choralists enter to learn about music and go on to serve in more advanced musical organizations at T.F. North. They will be remembered for the original rendition of "A" You're Adorable, that they performed in the Spring Concert.

Northernaires Attain Fame

I.F.'s "Have Song Will Travel" chorus, the Northernaires is composed of a select group of students who are chosen by tryouts from all the other vocal organizations.

Under the direction of Mr. Jack Wonnell, the group represents T.I. North at many civic affairs, besides appearing at the winter and spring concerts, and other school functions.

PRESIDENTIAL ADVISORY BOARD (P.A.B.)

The Presidential Advisory Board, or P.A.B. as it is more commonly called, functions as an advisory body for the school administration. It consists of presidents and representatives of every organization at T.F. North, and its main activities include making arrangements for Homecoming, Carnival, and the Charity Dance.

At their weekly meeting, P.A.B. promotes various projects and decides on important school issues, under the supervision of Miss Katherine Brazzill, sponsor.

The executive representatives frequently convey the wishes of the administration to the student body.

Working Toward Worth-While Goals

The main objective of the journalism class, which consists of a limited number of juniors and seniors, is to prepare for work on Thornton Fractional's two publications, the CHRONOSCOPE and the THORNTONIAN. The future staffs learn the news writing form and become better acquainted with types of newspaper stories.

A staff of juniors is selected every spring to compile the T. F. Guide Book, a manual explaining the school's guidance program, extra-curricular activities, calendars and schedules for the entire school year, and other information concerning T. F.

MISS PIDGEON

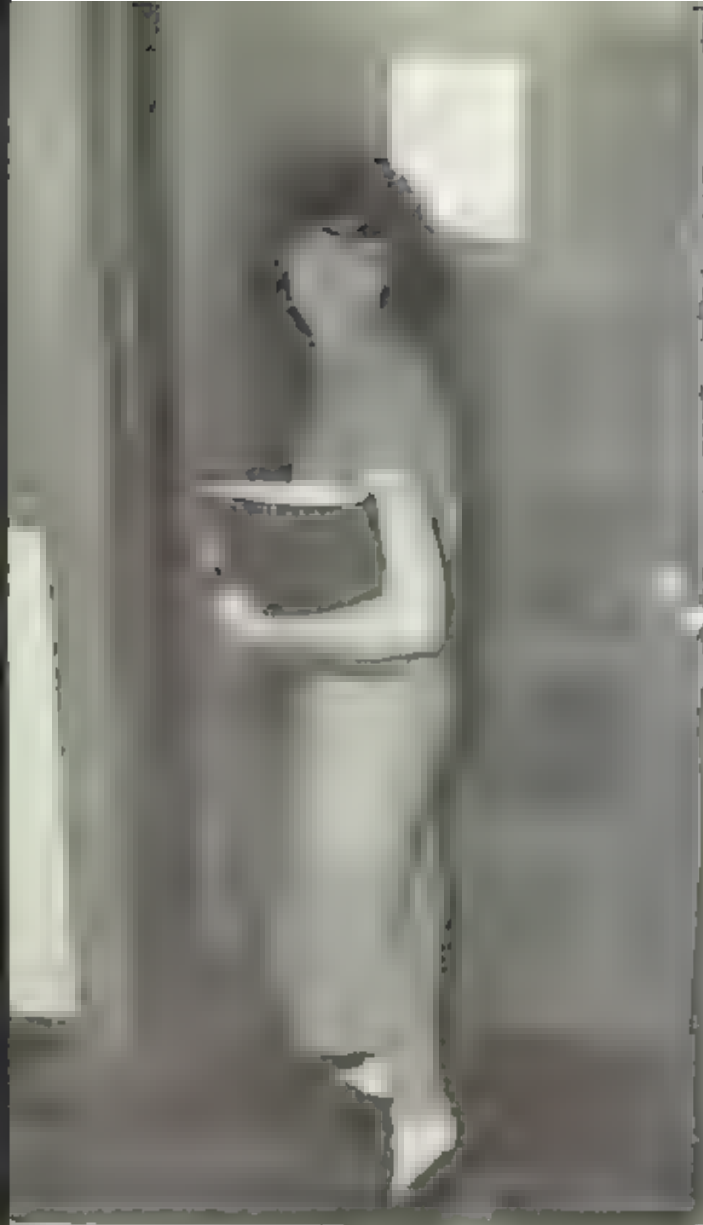

We, the editors of the 1960 Chronoscope, would like to thank our sponsor, Miss Mildred Pidgeon, for the time and effort she has spent with us on the yearbook. She devoted much of her time to aiding and directing this year's Chronoscope Staff. For her helpful guidance, we are greatly indebted.

They Play An Important Part

MISS JAACKS

The finances of both the Chronoscope and the Thorntonian are in the capable hands of Miss Aeline Jaacks, our financial advisor. We editors sincerely and deeply appreciate her faithful assistance in handling the advertisements as well as the sale and distribution of this, the 1960 Chronoscope.

Staff Energetically Edits News

The Thorntonian staff, who supplied the students with news of school happenings, sports news, interesting features, helpful editorials, and witty jokes, strove to improve each edition of the Thorntonian.

Under the able direction of Nancy Heinzelmann, The staff spent many hours in laying-out pages, taking pictures, and meeting the deadlines.

Chronoscope Staff Works Endlessly

The Chronoscope, a pictorial review of the school year, will not soon be forgotten by the staff members, who have written copy, compiled valuable statistics, and taken pictures. The helpfulness of the staff along with "Ev's" hard work, made this year's Chronoscope. ENTER TO LEARN. GO FORTH TO SERVE, a pleasant memory to all who worked on its publication.

Monogram Club Consists of JF Letter Men

The boys Athletic Monogram Club is composed of winners of a varsity monogram. These boys serve the school by ushering at school activities and acting as cafeteria monitors.

Sponsored by Coach Jerry Jelinek, the Club aims to promote good sportsmanship in football, basketball, wrestling, baseball, track, and swimming.

Sportsmanship Is Stressed In GAC

The Girls' Athletic Club aims to further athletics for girls in high school as well as to give them competition within the school. Five sports: volleyball, captain basketball, basketball, swim, and baseball are conducted at different times throughout the year. Class teams are chosen on the basis of sportsmanship and ability; then tournaments are held among the teams.

One of the main goals of the club is good sportsmanship through team co-operation.

The club's activities include a spring banquet at which the members are awarded pins, numerals, and major or minor letters; and selling programs at athletic events.

The G.A.C. Board helps to plan the activities of the club for the entire year. The board acts as a ruling body for the club and its main activity is to plan for the annual spring banquet.

Circus Comes To TF

Ringmaster, Ted Savdyk

A hush falls over the vast audience and all at once the curtain rises on the 1959 Carnival. The ringmaster, T. G. Savdyk properly costumed to correspond with "Circus" theme introduces the acts

The Greatest Show on Earth presented at TF North, consisted of such long remembered acts as: Hercules and the Fat Lady, the Twirling Triunpolettes, Cannonball Bloos and Company and Gertrude, the Wonderhorse.

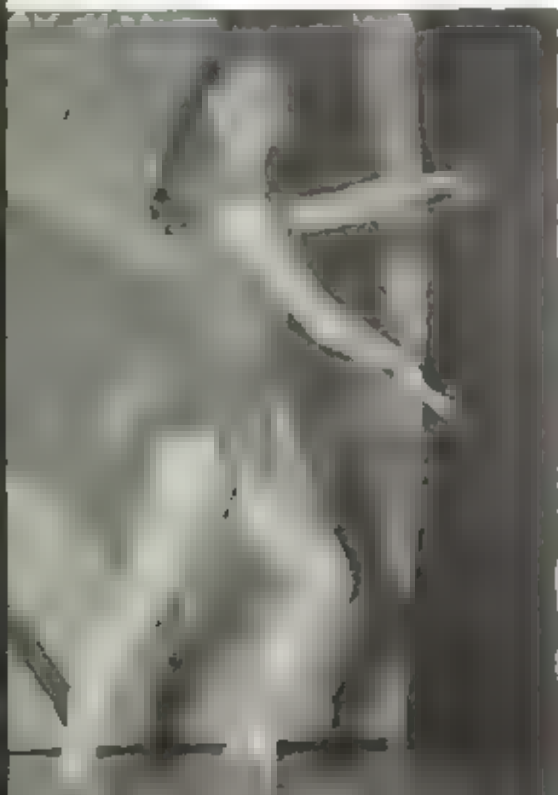

After the curtain came down upon the first act, another hush fell over the audience as Rich Dluzak, and Marilyn Schellki were crowned Carnival King and Queen

Going Forth To Serve — 1960 Senior Class

Senior Class and Officers

To the senior class, the four years of their high school life will hold many memories of lasting friendships, social and scholastic activities, and thrilling sports competition. Memories that began as the seniors "enter to learn" and ended as they "go forth to serve."

The four senior class officers of 1960 led the way for the entire class. Planning for the election of the carnival king and queen and arranging the necessary senior class committees are just two of the duties of the class officers. Another important duty is the organizing and producing of special senior class assemblies.

1. The first step is to identify the key components of the system. This includes understanding the hardware, software, and data involved.

2. The second step is to analyze the system's performance. This involves monitoring various metrics such as response time, throughput, and error rates.

3. The third step is to identify bottlenecks. These are areas where the system's performance is significantly degraded.

4. The fourth step is to implement optimizations. This can involve upgrading hardware, optimizing software, or restructuring data.

5. The fifth step is to test the optimized system. This ensures that the changes have been implemented correctly and that the system is performing as expected.

6. The sixth step is to monitor the system's performance over time. This helps to identify any new bottlenecks or issues that may arise.

7. The seventh step is to document the results of the optimization process. This provides a record of the changes made and the resulting improvements in performance.

8. The eighth step is to communicate the results to the relevant stakeholders. This ensures that everyone is aware of the changes and the benefits they bring.

9. The ninth step is to review the optimization process. This helps to identify any areas for improvement and to ensure that the process is effective.

10. The tenth step is to implement the final optimized system. This is the result of the entire optimization process.

The 1959-60 School Year

Going Forth to serve, the senior class will remember the school year of 1959 as the year of a winning football team, a bigger and more gigantic homecoming celebration, especially the parade. This first big event of the year, saw Carol Stefaniak as the homecoming queen.

The Dramatics Club sparked the 1959-1960 school year with their presentation of "Angel Street," the fall production, and "Lute Song," the spring production. Many TF'ers will always remember the contest play, "Anastasia."

Perhaps the best remembered event of the school year by all the students was the Carnival. A huge audience turned out to view "The Big Top" as the cast presented a stage show based on a circus theme.

The exciting moment of the Carnival was the crowning of Rich Dziuzak and Marilyn Scheffki as the 1959 Carnival King and Queen.

The two most well-remembered social events of the year were the Girl's Club Dance "Oriental Dream," and the Boy's Club Dance, which was held in the spring of the year.

Highlighting the school year with a touch of music were the annual winter and spring concerts. TF'ers will always remember the selections played by the bands and the songs sung by the choruses.

But the most enjoyable evening of this last year at T.F. was Prom. Beautiful decorations and soft lights and music made it a night long to be remembered.

The long-anticipated graduation finally arrived and the 1959-1960 school year came to a close. The seniors still held in their memories the day they "Entered to Learn," but most of all they will continue to remember vividly the day they "Go Forth to Serve."

What's
their
future?

The young people you see in these pictures are all on their way to successful careers in one of America's basic industries . . . steel. They decided (as we hope you will decide) to let Inland Steel Company help them plan their future.

Some are gaining knowledge and experience in special trades to become journeyman machinists, carpenters or electricians . . . some are concentrating on certain phases of steelmaking by working in the open hearth shops, the cold rolling mills or the galvanizing lines. Still others are working in laboratories building

a sound foundation for a future in steel research

Inland offers the high school graduate an excellent opportunity to further his education. Employees may participate in a variety of on-the-job training programs, or they can continue their formal education by registering for evening courses offered by local Purdue and Indiana University Extension Centers.

Plan now to investigate the unlimited opportunities for you in steel . . . with the midwest's own steel company . . . INLAND STEEL
